

Seeds of Faith

These are exciting days in the life of our church. We are stepping out on faith and striving, now more than ever, to do God's will.

The name of our campaign, "Seeds of Faith", exemplifies not only the seeds God has planted in our lives, but the seeds that are awaiting the harvest in our new location.

Here are just a few comments from the leadership of the "Seeds of Faith" steering committee:

- "We are walking in a fellowship with God and striving to do His will." - Darrell Mangum
- "We are God's church, we are working to build God's building." - Jerry Boshier
- "We are planting the seeds so that the next generation can reap the harvest." - Eric Craddock

As you watch this tape we ask that you prayerfully consider what God is calling you to do. II Corinthians 9: 7-8 says, "Each man should give, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to make all grace abound to you, so that in all things at all times, having all that you need, you will abound in every good work."

As you pray, please remember the purpose statement of The Oaks Baptist Church: "To Love God supremely and to focus our strengths to reach people worldwide for Christ while remaining obedient to His word. We are to be a growing church for our expanding region, equipping believers to be like Jesus through worship, discipleship, and faithful stewardship of resources."

Please join us in prayerful consideration of what you will do through sacrificial giving so that we may continue to plant the seeds where God has led us.
